## OUR MISSION: JULY 5 - 14, WARSAW, POLAND

Last year, in conjunction with CRU, we launched three re:generation trial groups. Re:generation is Watermark's 12-step discipleship through recovery ministry. This July, we are going to Warsaw, Poland to support CRU and the local church as we do three things; (1) commence the nearly thirty people in the trial re:generation groups, (2) work through leader training for local Polish graduates of re:generation, and (3) conduct a re:generation launch retreat to kick off the next group of re:generation participants, this time led by in country leaders!

*Moreover, look for able men from all the people, men who fear God, who are trustworthy and hate a bribe, and place such men over the people as chiefs of thousands, of hundreds, of fifties, and of tens. – Exodus 18:21:*

## PRAY FOR:

- Safe travels, patience and effectiveness
- Nate Graybill, re:generation director, is meeting with the CRU leaders to discuss bringing re:generation to Europe starting with Poland.
